ALLIANCE FOR IMPACTFUL PROJECTS

Impactplan and Ximenez Group have joined forces to develop innovative artistic installations that transform urban spaces, delivering immersive and visually striking experiences. This collaboration brings together the expertise of both companies, resulting in projects with powerful visual and emotional impact.

IMPACT.PLAN
ART PRODUCTIONS

MADE BY HUMANS

All our products are special and unique.
Hand-made to give happiness to people by coloring life! 🌈

By choosing to use Impactplan products, you are opting for a sustainable work of art that uses mostly the labor of local artisans, saving energy resources and contributing to the development of the local economy.

WHAT THEY SAY ABOUT US

Daniel Bideau

"Full of **colors and smiles**. So refreshing for the city of Périgueux."

Tânia Domingues

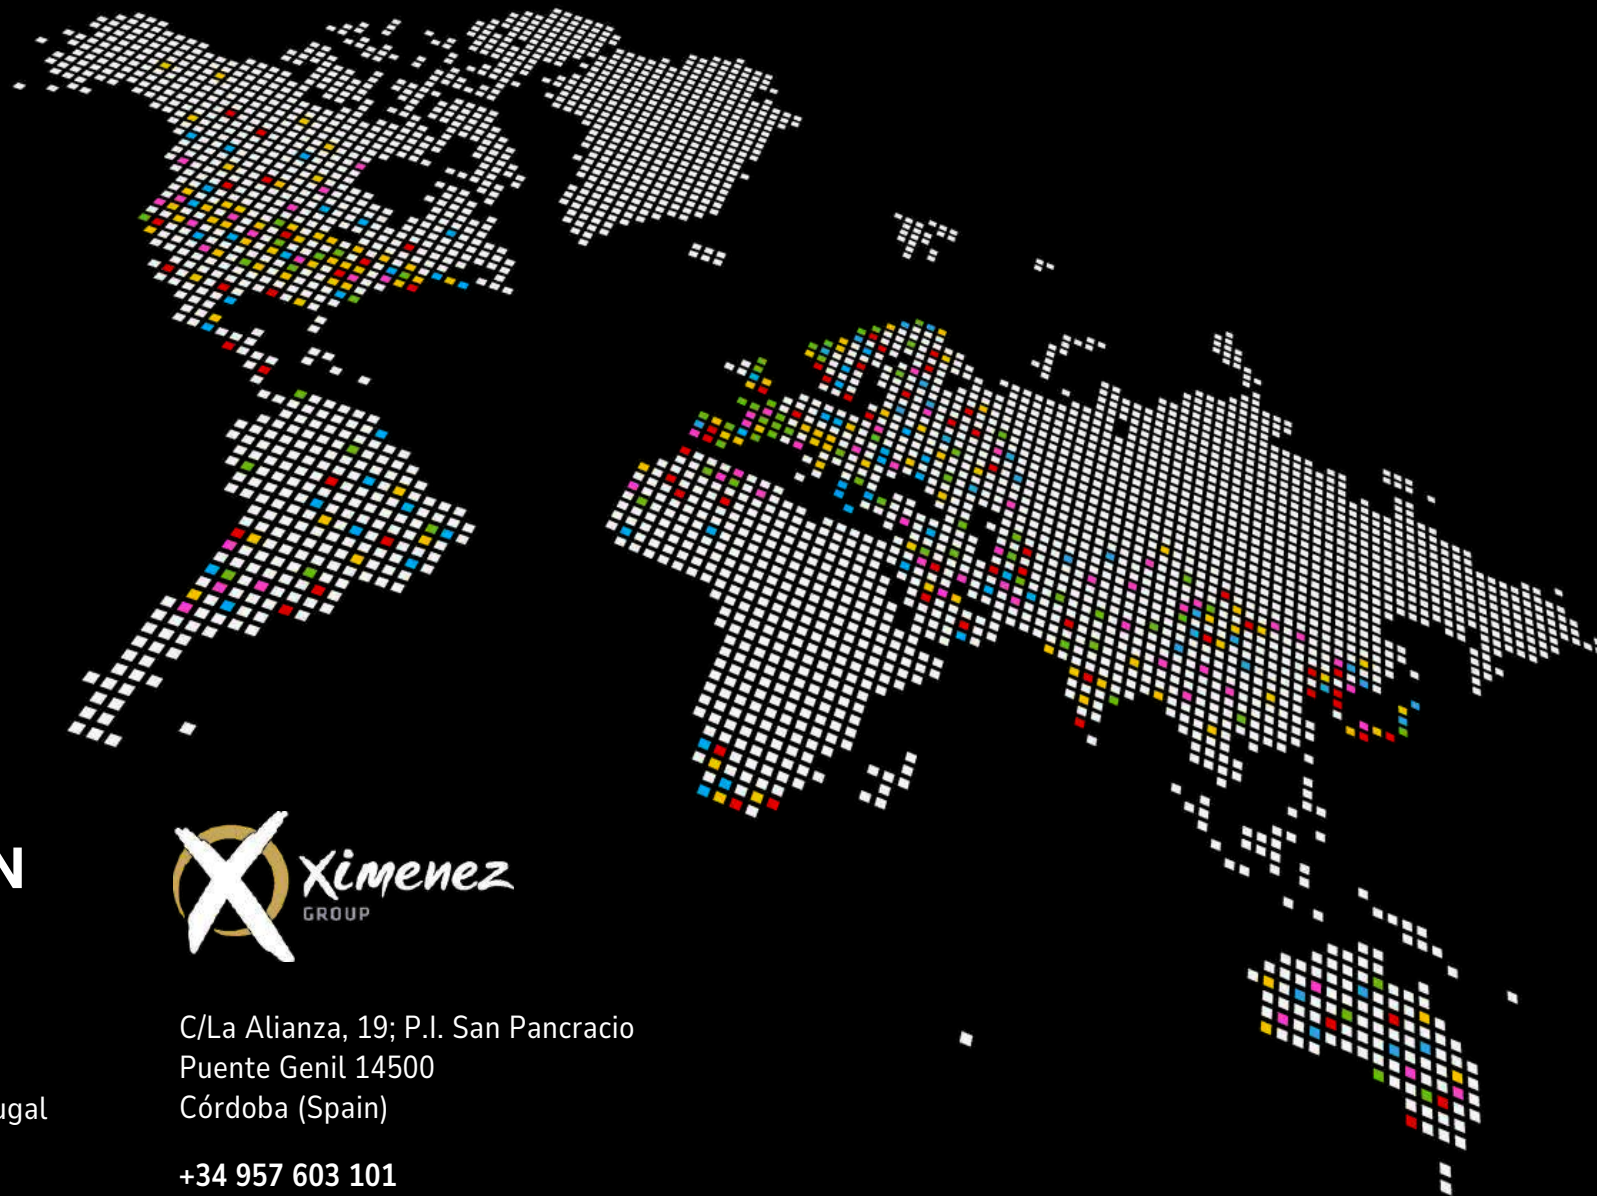

"I loved your **installation in Paris**. Simply amazing to see the streets in pink."

Rita Fernandes

"Truth is it was a **very hot summer day** and your **amazing umbrella installation** kept everything much **cooler**. With color and life."
